Pam,

I do have copies of the leases and I will send these to you now. Just so you know I also sent an email to David Turpin at the EPA region 5 last night as well. I did send a complete file of everything that I've documented. I will send attachments of the leases that I have copies of as well as the google doc file that I shared with Mr. Turpin.

Thank you for following up with me.

Mr. Dobratz:

Please disregard ... I didn't mean to resend the questionnaire, but do you have a copy of the lease(s) in addition to the disclosure form you sent?

Thanks, Pam

Dear Mr. Dobratz:

Please see the attached documents – complete and return the questionnaire. Upon receipt, I will open an investigation to determine your former landlord's level of compliance with the Lead Disclosure Rule.
